- Campers are encouraged to wear respectful and modest clothing (not too tight or revealing). This includes avoiding clothing with offensive language, symbols, or images.
  - Swimsuits should be appropriate for a family-friendly environment. Bikinis and revealing swimwear are not allowed. You may be asked to change or given a dark T-shirt to cover revealing swimwear.
  - During physical activities, ensure clothing is appropriate for the activity and won't cause discomfort to oneself or others.
  - Camp volunteers are expected to lead by example, adhering to the same modesty guidelines as the campers.
  - If campers have questions or concerns about the modesty guidelines, they are encouraged to speak with camp leadership for clarification and guidance.
- \*\*Remember, the goal of these guidelines is to create a safe, respectful, and inclusive environment where all campers can enjoy their camp experience.**
